

The Ultimate Rally Experience

Steve Perez has announced a once in a lifetime offer to compete on the Premier Rally in the iconic Lancia Stratos. This is a unique opportunity, not only to ride in a Lancia Stratos, but also to compete as a co-driver on an actual rally. No experience is necessary as you will be shadowed by an experienced co-driver who will give you training if required. You will be provided with overalls, helmet and all other equipment required.

The car is a 1974 Lancia Stratos which has been recently successfully restored to its former glory. You will be part of a professional team - BTR Preparations. You can bring along 3 friends, who will be treated to a VIP day spectating, and you will all have free accommodation in Casa Hotel, a top local 4 star hotel.

The rally is the Premier Rally organised by Dukeries Motor Club <http://www.premier-rally.co.uk/> on 20th November 2010, based in Mansfield with stages around the famous Sherwood Forest.

Your driver is Steve Perez <http://www.steveperez.co.uk/> one of the UK's top rally drivers, a Historic Rally Champion Driver, National Rally Champion and this year's Gold Star BTRDA Champ! You will have the ride of your life!

All entries fees, licences, and event costs will be paid. You will be required to apply for a Co-drivers Competition Licence (Nat B), be over 16 years of age and answer some basic medical questions and make a declaration (see <http://www.msauk.org>) Because of the size of the Stratos you should not be more than 1.9 metres tall or weigh over 100 kg - if so please contact me for more information before making a bid. Fortunately serious accidents are rare in rallying, but anyone competing does so at his or her own risk.

All proceeds of this auction are going to the Widow of Martyn Lewis one of the top 1400 rally drivers who was sadly killed on the Dukeries Rally earlier in the year.

Message from Steve Perez

"I am trying to raise money in memory of Martin Lewis who was sadly killed on this year's Dukeries Rally. I know lots of people have already given money to various collections and Catherine, Martyn's widow has donated every penny to Air Ambulance and rally charities e.g. Rally Rescue. I think it would be great to raise some money to send her and their 18 month old son Charlie on a holiday somewhere nice.

I am auctioning off the co-driver's seat in the Lancia Stratos on the Premier Rally Saturday 20th November on eBay. STRATOS RALLY: The Ultimate Rally Experience. I know there is an initial £20k 'buy it now offer' but you never know!

I have put the entry in and Dukeries MC will donate the entry fee back into the kitty. I appreciate that there can only be one winner so I am also offering sponsorship packages of £100 for your sticker on the car lets cover it in stickers! Lets everyone get behind it and show what we can do. See on eBay > Ultimate Rally Experience
